## STEPS TO LEAD A SUCCESSFUL CLEANUP

1. Review all provided documents for your event, including the Safety Guidelines and Safety Resources.
2. Set up your event table with provided supplies.
3. Have all volunteers sign the Liability Waiver form provided, either digitally or on a provided paper sheet.
4. Welcome volunteers and thank them for participating in your event.
5. Review safety protocols and site guidelines with all volunteers. This is a great time to mention any additional information on parking, restrooms, weather safety, and site-specific safety.
6. Remind volunteers that they are only to pick up litter. Leave natural debris and wildlife.
7. Remind volunteers of their return time and to return trash to you for weighing before disposal.
8. Take a group photo! Encourage others to take action shots.
9. Weigh trash bags with the hand scale provided, then dispose in predetermined location provided by KPB.
10. Collect all supplies from volunteers. Please place used gloves *unbundled* and safety vests in the mesh bag provided.
11. Complete the Event Report form provided.
12. Return supplies and paperwork as soon as possible after your event to the KPB office. Our office is closed on weekends.
13. Email your photos to [communications@kpbcares.org](mailto:communications@kpbcares.org) with your group name and date of event.
14. Questions or concerns? Please contact Megan Jackson, Program Coordinator, at [mjackson@kpbcares.org](mailto:mjackson@kpbcares.org) or 941-538-2269.
